

The Strange Case of Dr. Jekyll and Mr. Hyde Punctuation Worksheet

Punctuation Worksheet

A computer generated grammar quiz based on the book The Strange Case of Dr. Jekyll and Mr. Hyde Punctuation Worksheet. You need to read the questions and insert the correct punctuation and capital letters.

My computer program isn't very good, so please can you give this an adult first to check that the answers are correct. Errors to look out for

- A lot of quotes books are more than one sentence long, the program only extracts the first or last sentence so you'll need to add the opening/closing quotation mark
- The books I'm searching quite often use a — instead of a comma, but in other cases a — is the correct punctuation, please check each case
- Some of the answers start with a full stop. Ignore this
- Some of the books contain errors, so strange numbers may appear in the answers
